PALETIZATION

Arrangement on a 1200x800 mm pallet

- The packaging requires storage and transport testing in the environment of its intended use.
- It is the responsibility of the customer to match the packaging with the target batch.
- This guarantee is valid 12 months from date of delivery. During this time, the package should be used. All packages from a single pallet should be used immediately after unpacking.
- Packaging intended for direct and indirect contact with food (details include the Declaration of Conformity).
- All materials and dyes used to produce container or lid designed for the food sector are approved for food contact.
- Buckets and lids are made of polypropylene (PP).
- Manufacturer is not responsible for container deformation because of stacking of single pallets or putting on them an extra load.
- The product is available in white, transparent or colored according to customer specifications. [More colors](#)

Palletization at delivery: 960, 1040 pcs (packaging: hood or bag)
