### PALETIZATION

#### Arrangement on a 1200x800 mm pallet

- The packaging requires storage and transport testing in the environment of its intended use.
- It is the responsibility of the customer to match the packaging with the target batch.
- This guarantee is valid 12 months from date of delivery. During this time, the package should be used. All packages from a single pallet should be used immediately after unpacking.
- The packaging is not intended for contact with food ingredients.
- The base material of the bucket is polypropylene, with an admixture of recycled materials up to a maximum content of 60%.
- The dyeing is not uniform – possible streaks and inclusions.
- Manufacturer is not responsible for container deformation because of stacking of single pallets or putting on them an extra load.
